

Grace is talking to Babalwa in the kitchen about her new boyfriend.

Are you guys sexually active?

Oh my gosh, **no!**

We have been chatting about it, I think I am ready though.

Did you also chat about safe sex ?

No. Can we stop chatting about this now?

No, not really. Its important. Do you know your options? What do you want it to do?

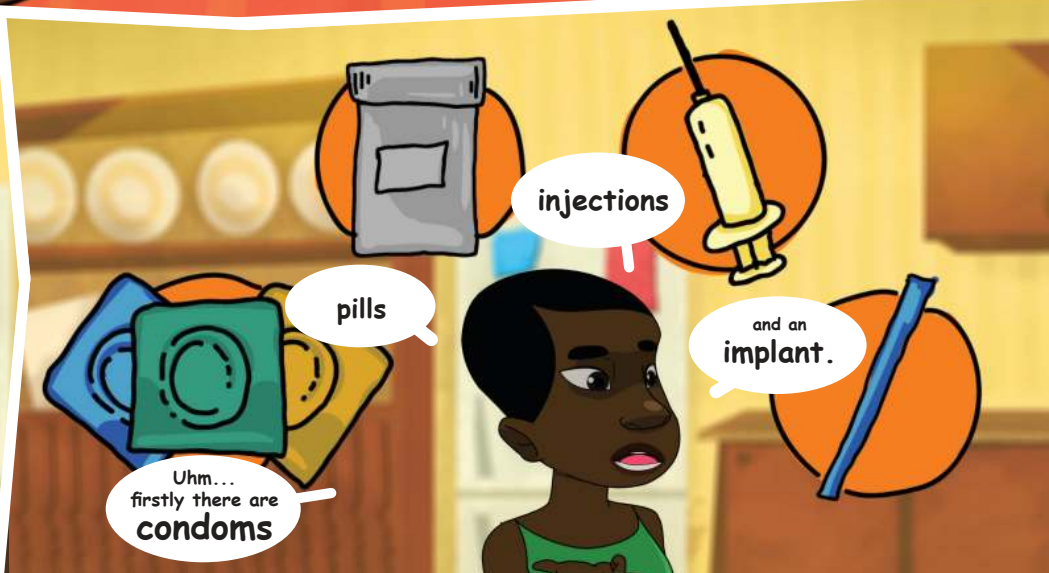

Kinda...

I don't want to get pregnant. And I trust him, but I don't want any STIs or HIV

Well, so what do you know?

pills

injections

and an implant.

Uhm... firstly there are **condoms**

What contraception do you think Babalwa should use?

What contraception do you think Babalwa should use  
for what she needs?
